“Absolute freedom within very defined limits”

Created in workshops celebrating The Black-E’s 25th Anniversary; this exhibition also reflects The Black-E’s location at the heart of Liverpool’s Chinatown.

Each participant was invited to draw a tree in exactly 25 brush strokes using Chinese ink and brushes. The results range from pine trees to fairy tale trees, and combine elegant, stylised works with more exuberant offerings. The exhibition consists of 60 works 42cm x 30cm
