

## Support through volunteering

[View Volunteers List](#)

### **With Thanks to all the volunteers who worked (and played)**

When the capital programme resumed in 2004 we put all documents not immediately in use into store - this generally meant that record books and diaries were put in labelled and sealed boxes to safeguard the contents from dust, etc, during the rebuilding works.

We are now in the process of opening these dozens of boxes. However, we still cannot locate the record books kept of volunteers. We have put together the following list of volunteers from files of correspondence rather than record books - and from memories. We will add to the list once the books are re-discovered. And, if you know any missing names, please contact us.
