

Young, Gifted, and On Track

Celebrating forty years of the Black-E, the exhibition researches the lives of dozens of Black-E 'alumni/ae' (former youthful participants, volunteers and apprentices), to create an extended exhibition of the youth of the past to inspire the youth of the present. The project aims to identify the impact that The Black-E has had on alumnae, paying particular attention to their potential as role models for young people currently in our community.

The Exhibition can be viewed in the Black-E Gallery, Wednesdays-Saturdays from 11:00 until 17:00

Or view anytime online
