

The Black-E :A Call To Music Promoters

The Black-E are inviting expressions of interest from music promoters to work with us to deliver a year-round programme of music and dance performance. We are interested in a broad range of music including folk, international roots musics, reggae, hip-hop, contemporary, acoustic and singer-songwriters, Americana and country, jazz, classical, etc.

The Black-E / Great Georges Community Cultural Project recently completed a £6m capital redevelopment programme. This has delivered a spectacular in-the-round auditorium with two overlooking balconies, capable of a number of configurations, with capacities up to 550, and suited to a variety of music and dance performance promotions. The building is now fully licensed, including bar facilities. State-of-the-art staging, sound and lighting equipment are in-house. For further information visit www.theblack-e.co.uk

Expressions of interest should set out the name, company - and VAT- registration statuses (if any) of the business, along with the full names and contact details for key people. Please include a profile of your experience and areas of musical interest, and the names of two business referees, and submit by email to [amanda.jones \[at\] theblack-e.co.uk](mailto:amanda.jones@theblack-e.co.uk) marked 'MUSIC

PROMOTIONS' and 'for the attention of Bill Harpe'.
