

A Call to Sports Promoters

Lower Ground Floor

Call to Sports Promoters/Associations

The Black-E are inviting expressions of interest from Sports Promoters and Associations to work with us to deliver a year-round programme of sports activities. We are interested in a broad range of sports including martial arts (boxing, kickboxing, wrestling, Judo, Karate, Capoeira etc.), fencing, darts, table tennis, badminton, squash, trampolining, gymnastics, dance and many more.

The Black-E / Great Georges Community Cultural Project recently completed a £6m capital redevelopment programme. This has delivered a spectacular in-the-round space which can accommodate a boxing ring with surround seating as well as a squash/badminton court with perspex walls (for promotions and tournaments only), with two overlooking balconies providing extra vantage points. With capacities up to 400, the space is suited to showcase a variety of matches, tournaments and performances. The building is now fully licensed, including bar facilities. State-of-the-art sound and lighting equipment are in-house. There is virtually no city-centre cultural building that can match this.

For further information visit www.theblack-e.co.uk

Expressions of interest should set out the name, company - and VAT- registration status (if applicable) of your organisation/business, along with the full names and contact details for key people. Please include a profile of your experience and the activities you would like to work on with us and submit by email to hires@theblack-e.co.uk marked 'SPORTS AT THE BLACK-E' and 'for the attention of Nicole Konigs Balfry'.
