

The Wonderful World of Dissocia

Second in a Series of Three Productions by MAD Theatre Company

Friday 1st September @ 7:30pm

Saturday 2nd September @ 2:30pm & 7:30pm

'The Wonderful World of Dissocia' is a bold, moving and magical play which takes a trip away from reality, exploring a world of psychological disconnection.

Lisa has lost an hour of her life, she's gone to the surreal and wonky world of Dissocia to get it back. However, this colourful adult adventure also has serious repercussions... Following the critically acclaimed productions of The Last Days of Judas Iscariot and Arabian Nights, MAD Theatre Company are presenting 3 fantastic productions which deal with the important themes of identity, mental health and the NHS. We are delighted to be supporting the work of MIND with our 2017 season. £1 of every ticket sold will be donated to the work of the charity.
