

## Tiger Country

Third in a Series of Three Productions by MAD Theatre Company

**Friday 8<sup>th</sup> September @ 7:30pm**

**Saturday 9<sup>th</sup> September @ 2:30pm & 7:30pm**

Set between surgery and A&E, 'Tiger Country' is a must see for fans of medical dramas.

With the NHS facing its biggest revolution in 60 years, Nina Raine's play perfectly captures both hospital horror and hilarity, in a painfully under resourced yet vital setting. Following the critically acclaimed productions of *The Last Days of Judas Iscariot* and *Arabian Nights*, MAD Theatre Company are presenting 3 fantastic productions which deal with the important themes of identity, mental health and the NHS. We are delighted to be supporting the work of MIND with our 2017 season. £1 of every ticket sold will be donated to the work of the charity.
