

## Get Involved

"Get up - Get into it - Get involved" (James Brown)

Get Involved cooking kids

We welcome - local and international volunteers (donating their time and services) - students on placement (work experience as part of a programme of study) - and will in future offer apprenticeships and training schemes leading to formal qualifications. Abundant opportunities for exercising the muscles of the mind and the body - training and retraining - learning and unlearning. Join the team bringing the cultural programme to life (as well as undertaking building maintenance, administration, fund raising, and everything else required to keep the The Black-E going).
